

# Library of the Future

## RUNNER UP

Category 11-14 years old

***“Books, books,  
books and books”***

Written by O.H.

Library's, books, books, books, and books  
Some have cooks and recommendations on looks,  
Cobbett Road Library, the most magical booky place to be  
Books, books, books forever,  
We can do better and better and better!  
Books are what I adore,  
So, there really should be, more, more, more!!!!

Pictures are really everywhere in one book from old Cobbett,  
Fiction and non, parts from good Ron.

Cobbett Road Library, a safe, warm family who cares about everyone.
